

Serial No. 09/901,878
Amdt. dated April 5, 2004
Reply to Office Action of February 3, 2004

Attorney Docket No. LX00071

Amendments to the Claims:

Sub
H1

1. through 53. (Canceled)

54. (Previously Presented) A hand-held electronic apparatus comprising:
a touch-enabled screen configured to receive and display information; and
a circuit configured to provide a window for solely receiving and displaying handwritten data, to recognize single and multiple character words based on the handwritten data received and displayed in the window, and to restrict the window to a single location of the touch-enabled screen.

G1

55. (Previously Presented) The hand-held electronic apparatus of claim 54, wherein the window is smaller in size than the touch-enabled screen.

56. (Previously Presented) The hand-held electronic apparatus of claim 54, wherein the particular location of the window is a lower portion of the touch-enabled screen.

57. (Previously Presented) The hand-held electronic apparatus of claim 54, wherein the window occupies less than one third of the touch-enabled screen and spans a width of the touch-enabled screen.

58. (Previously Presented) The hand-held electronic apparatus of claim 57, wherein the window includes at least one action icon.
